

ed. 1874 March 15<sup>th</sup> Cloudy this morning &  
 not very cold, Rainy, Muddy tolerable fast  
 Sallie & M. Whitehead Come down with their  
 children this evening still cloudy -  
 16<sup>th</sup> Cloudy & Raining all day long, off of  
 the last night weather moderate tolerable cold  
 M. Whitehead & Sallie started home  
 broke down before they got to the Out  
 side Gate at their own place Sallie  
 Hall Ranne & the Baby came back  
 from here now cleared off very pretty.  
 18<sup>th</sup> Linn come to Mill Gates carried  
 4 Bus Corn for Our meals & Bus  
 for Ed & 2 Bushels for Marlin Smith  
 I let him have all he gets of me  
 he gives me 1 Bushel more on the  
 21<sup>st</sup> Barre than he gets me gathering  
 Lorraine & Linn first the meal  
 I went to M. W. Lams & Plowed my Gray horse  
 he skulked some but we got him to work  
 tolerable well Colting clear to night  
 Ed Plowing with 2 Horses Marlin went  
 to M. W. Powers to raise a Barn & I hired  
 Edmond Tucker to go to H. Templeton  
 & paid him this evening to take Eds Deeds  
 place as he was complaining - - -  
 19<sup>th</sup> Pat Green Come to day with Buggy &  
 Sallie & Chedra - Ed Deeds & Marlin took down  
 for me & Parked some Lugs nearly to day Edmond  
 Tucker aporking Kite Crop for de Herring  
 it not to get dry  
 20<sup>th</sup> Mar. Raining this morning Edmond Tucker &  
 Sam his son aporking Mpt Marlin wash  
 Cate Deeds Hanger May all from Backstop sleeping  
 after them, Ed Deeds Marlin Smith & Linn  
 sleeping in old barn - Barn Cloudy & Raining  
 for Rain to night, rather cooler  
 all entered in Linn Book

1874 March 21 Yesterday to day all shipping  
Plantation Tobacco made by Mr Hubbard  
Same hands we had yesterday & we finished  
all in new mize except what is packed  
down in Barn, Rained smartly to day

22<sup>nd</sup> Has not rained any here to day weather  
moderate spat on it our cows frolicking

23. Hauled up stack Oats to day 2 Loads  
Hauled Lanes 2 Loads Hauled straw

I went to Creaseys to day Ed plowing  
with 2 Horses & his young son. I have  
here looks like falling weather  
Nancy scouring bedding bedshead & etc

24 Sewing Oats to day Jimmy & Ed Martin &  
Shrubbing I sewed over my Plant Beds today  
sowed some Cabbage & Kale seed also. Clear day

25. Ed & Jimmy Sewing Oats Martin Shrubbing on  
upper side of Path this evening & then Hauling  
some wood, begun late & did not haul much  
I went to Mr Owens hunting 4 shoats missing  
ever since yesterday morning Tuesday & Wed  
Cool day, Mrs Wyatt gone to John Powers  
to get her shoe mended this evening.

26 Raining this morning went to shipping  
Tobacco Ed & Martin till 10 O'clock today  
to Sewing Oats Martin whipping out Oats  
to Ed. Weather moderate

27<sup>th</sup> Ed & Jimmy Sewing Oats. Martin whipped  
out about 3 or 4 Bushels of new Oats & sewing  
them this evening Mr John Lane here this morning  
to Ed about going to Georgia.

28<sup>th</sup> Sewing Oats Martin shipped Oats some Oats  
& then Shrubbing for Corn I went to Mount Airy  
after my Callum Plows & Hauling store all  
from H Dillards Shop by Mr John Marshall  
brother home 2 D Plows 1 roller & 1 Hoe left  
Callum at Creaseys come home & went to Mr Livers  
& found my 4 Hogs but could not bring them home

29<sup>th</sup> Sunday Ed went out down on bank  
& got my Hogs out & brot them on home  
Very pretty weather clear & moderate

1874 March 30<sup>th</sup> Sewing Oats Sowed 27 Bush and  
 31<sup>st</sup> Finished Sewing this morning before it rained  
 Ed Tucker apportioning in new frame Barn for  
 Plantation to day & Ed Dubos & Martin Smith to  
 started this evening. Working my Horse Day  
 Gray Yesterday & to day. before it Rained  
 Plowing for corn  
 31<sup>st</sup> Plowing up Patches & Corn Land  
 Marlow Smith broke my Double plow  
 Mole Board Plowing for himself hauling  
 wood. No Kid came here to day  
 April 1<sup>st</sup> Raining more or less all day  
 Finished stripping Tobacco in new frame  
 Marlow Ed & Jimmy stripping in old frame  
 Marlow sent him to day at all  
 No Kid here yet. Still Cloudy  
 2<sup>nd</sup> April Plowing for Corn Marlow leaving  
 Plows her after 1<sup>2</sup> O'clock him & Jimmy  
 Stripping above road to Nags very  
 May day Cloudy more or less all day  
 3<sup>rd</sup> Ed Plowing for corn Martin Stripping  
 for Corn & Jimmy - I went down to Mr  
 Gales shop & had my Red span of mares  
 Mr Gales fixed it himself cutting it off the  
 4<sup>th</sup> Ed Plowed up my Garden after Corn  
 Marlow & Jimmy Stripping above road  
 for Corn on Branch & along fence  
 Sowed over Island Red next to Imp  
 Mr. Nags to day & manured the  
 On John's Branch - to day  
 5<sup>th</sup> Moderate Weather Holiday  
 6<sup>th</sup> Pretty morning Clear pretty weather  
 7<sup>th</sup> Raining this morning stripping Tobacco Ed &  
 Tucker apportioning shale stripping back of - Garden  
 weather moderate he began to report 8 or 9 O'clock  
 Mr. J. W. Lane has not come yet to start to  
 Lynch. Rain stop us from Loading this morning

1874 April 7<sup>th</sup> Mr Gaine Come This evening  
 & we turned in to Landing have got ours  
 8<sup>th</sup> This morning finished put in ours near  
 all that Ed & Dews striped left a little he striped  
 some his Hubbard stripped, before X  
 some for Edm<sup>d</sup> Luter Luter W. Matthe  
 & Miss Martha was Luter off Edm<sup>d</sup> Luter  
 back of Garden <sup>4000</sup> Laid up by Ed. Luter  
 yesterday. Went off, Mr Luter started this  
 morning Mr Gaine started & got up to Leger  
 chg roads & my Cart Ed & Martha went took  
 out Miss Mabel & Mr Mattheys &  
 Carried back home & packed & packed  
 it all down took nearly all day  
 nearly all day & paid Ed & Martha  
 for their work to day  
 9<sup>th</sup> Rained all night & at this morning  
 Ed & Martha stripping Tobacco & Miss  
 & Luter to day all this have finished  
 stripping back of Garden & old <sup>1000</sup> new barn  
 finished them stripping but did not quite finish  
 hanging up. We finish in barn back of Garden  
 hanging up & packed the bags on a bulk  
 turned cooler & Rained hard this evening & to  
 also John W Luter has a rough time of it,  
 10<sup>th</sup> Luter gone to Gals Mill some for meal  
 my own, Bus. Marlens I sent him 2 Bus.  
 11<sup>th</sup> Rushes. for meal  
 11 Went to muling at Abant Saturday & Sunday  
 John W. Luter got back from Luter, Molly  
 & John & Van Eves sold our Tobacco Very low  
 13. Ed & Martha hauling in last week  
 out, Martin cleaning up Corn Luter -  
 Dews no calf, a little cloudy  
 14<sup>th</sup> Raining this day more or less all day  
 Luter went after Root Cakes for Ed & Howard  
 Ed & Martha working on Road to day  
 weather moderate 15<sup>th</sup> windy morning  
 15<sup>th</sup> Cloudy like for Rain Yesterday Ed Dews  
 sent after Root Cakes to come from his Ched. Howard

This was  
15<sup>th</sup> April 1874  
And the regular to come stating in the morning and  
blowing the cold purple mists and fog  
This morning Ed has gone after Dad Haley  
Rumpled clouds I like for Rain. Does Haley  
Come the 1<sup>st</sup> time to see Howard Ed says come  
in 2<sup>nd</sup> I am to see the money paid - & mules to keep  
to that effect. - Raining more or less all day  
they are hauling wood when not churning. How  
Sewed over our plant beds this day. How  
my wife is sick. Howard for 2 a visit  
comes here to see us for 2 a visit  
16<sup>th</sup> Eds Child Howard still young  
Haley & Dad came this morning. Moderate  
17<sup>th</sup> Rained every day this <sup>morning</sup> but money & I.  
have not seen Markon but one or 2 days  
I have only plowed 1 day this week  
still cloudy I like for fueling weather  
18<sup>th</sup> Cloudy did not rain much. Went  
up to Mr. M. - Moses & wrapped George with  
Wool Williams from Luby. Dory Crockett gone  
off a - Bay man 6 years old. Will work  
where looked to witness Buggy before  
I came home. Worked very well.  
19<sup>th</sup> At Moses & George. Rained the 1<sup>st</sup> time  
day all day long. Got Kelley about this  
20<sup>th</sup> I come home did not ride much  
to day manured the plant beds. Put  
plaster on 400. Sewed some plaster on  
Clover about this time  
21<sup>st</sup> Clear day pretty weather fencing fence  
above road going to mup Mr. Mals. In evening  
then went to raking along manner. - in  
Pen, Dally had a Haifer, <sup>cast</sup> mule was Dally  
Mama I think sold Cook to Sam Caetan or En.  
weather moderate I feed my birds to day  
22<sup>nd</sup> Blowing up in old field for 2<sup>nd</sup> time  
cloudy I like for rain nearly all day  
23<sup>rd</sup> Rained nearly all night last night  
Branches very full Rained all over Tobacco  
tolerable high in the Baras to day by 12 o'clock  
Ed & Jimmy Markon Piled up the stalk ready  
to hatch out feed up yard fence

1874 April 29<sup>th</sup> Ed Deems malling <sup>Hay</sup> this evening  
Charing off weather moderate  
24<sup>th</sup> Pulling Logs over at Mountain Spring  
where we are going to head Tobacco -  
began to rain about 2 O'clock I went  
to Sam Calland to Mount my Tobacco  
it rained all the way as I came home  
25<sup>th</sup> Raining nearly the whole of the day  
wind still from W. & N.W. Ed Pickup  
some cold. Rained till about night  
26. Chared off this morning tolerable soon  
ground drying some this evening.  
27. Toby Edmond Tucker Sack Jones & Coleman Hubbard  
Came here this morning & sheep roll some hay  
Over at Mountain Spring, & some dogs  
Came here last night & three 1 Lamb & 3 of  
my sheep & worried the team very & but I tore him  
very much & like to have killed all. I had  
Ed went to Cauldery at Mountain Spring this  
evening. Very pretty day for business  
28<sup>th</sup> Ed & Jimmy Plowing at Mountain Spring  
This day I have rented to Coleman Hubbard my  
young steer Ben for \$10. in 3 Tobacco. or any  
thing I have or may make at reasonable price  
29<sup>th</sup> Rained last night nearly all night  
This morning Snowed & Rained & turned cold  
Very cool all this day & chared off 10:00 A.M.  
O'clock I went to Starkes Mr Jowers to see Mr. Kearley  
30<sup>th</sup> Sent Jimmy to make 1 Bush corn for one meal  
and Marlen Smith 2 Bushels Ed sent 2 Bays  
for meal to Falls Clear cool morning  
Very windy yesterday covered plant the last  
1874 a beautiful day began to plant corn by Edmond  
May 1 she works very well to the plow plowing  
spouse. Hatched  
she works very well indeed like she has been plowed  
before & Coleman Hubbard had Ben my  
steer or she has rented plowing & plowed very  
well, weather moderate - clear day pretty

1844  
1 May 1<sup>st</sup> All the fruit nearly is Dept I think  
2 Planting Corn on Hill by Eds House  
3 Plowing for Corn below House Dec 12  
Clock within Planted all this was Planted  
I went to Strout Stone meeting House  
4 to see about Sunday School plowing  
5 Raining this morning, manured Plant  
6 on Johns Branch this morning on  
quite cool rain, a little cloud, & almost  
Cold enough Sunday Monday & Tuesday for Snow  
5<sup>th</sup> Clouds like for Snow - a Spring  
I have not seen as cold - a Spring  
Since 1834. Then it was as wet but not so  
Cold, we have to get wood as regular as water  
My Dog Watcher is very poorly & will not  
leave but a little while I think, - Put  
some corn from my shoats. Chased of last night  
we beg with my Plowing for corn  
5<sup>th</sup> Beautiful morning we are Plowing for corn  
again there has been kind very cool & rainy day  
almost make, this morning moderate weather  
6<sup>th</sup> Plowing for corn - Chased off  
7<sup>th</sup> pretty morning Plowing for corn this  
morning. Mr Davis here yesterday who taught  
some of the Land of Mrs B Jennings who as far  
for Plowing starts the Plank Bed above him  
I took off brush off the Plank Bed about here  
& scattered Plaster over it myself weather  
moderate to dry nicely Plowing to day.  
8<sup>th</sup> Plowing & Plow, 1st of yesterday to day -  
about the house  
9<sup>th</sup> Plowing Corn Hill 12 o'clock rolled in Plaster  
Plaster of put Capping in it all we planted to  
day weather very good for Plowing Corn  
10<sup>th</sup> Plowing for tobacco & Corn making up  
manure Planting out nearly all our crop  
of Greens here for this day yesterday to work  
in Garden, Planted Corn Snaps in Garden &  
some Peas - Corn Seed, Planted some Peas  
- some snaps in Corn field

874

To Aunt

May 11 Sent Jimmy to Miller. Mice Carried

11 Bushels Wheat made here for flour for  
 Mr. & A. Crassey & Mrs. 21 Barrels the Bible  
 Lot of Mr. Crassey - Ed. Flowering Markers  
 Calling on Branch with Eliza this morning

12<sup>th</sup> Planting corn this morning above road  
 to mill. I am going. I R. Whitehead

13<sup>th</sup> Returned at night had my my mare shed  
 Hauling Planking fresh ground off  
 wheat. When loading feed above granary

for corn. The evening weather warmer  
 then went to Lister's for corn above granary

14<sup>th</sup> Lister's then again this morning till  
 10 or 11 O'clock. Commenced Rained. After

more or less all the evening. List Mrs. Mending  
 my wagon body & wheat.

15 Finished Lister's that yesterday this morning  
 We planted brass. I finished planting Cabbage

plants. Went to John 2 Powers got my mfg.  
 shoes mended. Rained again this evening.

Bedded up my little Canon Patch by the  
 Irish Potatoes Patch cloudy. Like for rain

16 Rained. The evening Planted Corn  
 17<sup>th</sup> I went to Sunday School & Mr. Plunket. Breakfast

18 Lister's Planting Corn above granary  
 by Ed. H. & finished planting all over

the flat land on Branch which we are  
 bedding up to day. to plant as soon as

19<sup>th</sup> Bedding flat on Branch for corn. Mr. Matt  
 early gone to see Mr. Haggerty about toll wheat

20 Planting Corn on Branch this day likely  
 for Rain. Rained a little very good Rain

Mr. A. C. Miller here to day. finished planting  
 to day on Branch. Rained in evening.

21 Calling on Mr. New ground Carver 11 Bins  
 my mfg. shoes & took some medicines about this time

Went to Miller's mill for flour. The mill made  
 as usual for \$9.00 - carried Mr. Apperson & 1/2 Bins

Irish Potatoes ground  
 22 Planting Irish Potatoes. Planted. Calling on Mr.

Very cool clear day

- 1874 May 22. Sent Jimmy to Yates Mill 2 Bushels  
for us meal & 100 lbs for Martin but 4 Bushels  
for Ed for what my coal for last May because I did  
this morning & gone to Bed & Very Cold
23. Collaring & Chaining off fresh ground above  
granary quite cool yet corn comes up very slow  
every thing is behind time just has eat the tobacco  
plants generally tobacco has not started planting corn  
yet. 24. Cloudy & like for rain. no other made
24. I expect to go to Sunday School to day
25. Monday Hatched MORRIS Nellie to my  
Buggy. drove her to Mount Airy quite cool
26. Quite cool this morning Collaring & Chaining  
up in fresh ground above stables that morning  
a cool morning for the time of year.
27. Ed & Martin Collaring no night card here  
about 11 o'clock went to Martins over the  
mountain to get ground for springing tobacco  
28. Mr. Larkins brought them finished good this  
morning covering spring house & then  
Ed & Martin throwing Martin in new ground  
Ed turning over upon dining room door  
Clear <sup>Pratt</sup> day cool night 1874  
my dog <sup>Wanda</sup> died the 27<sup>th</sup> May 1874
29. replanting corn to day by Eds house  
Nannie laid some ground & planted some but  
& Tomatoes which I am afraid will die
30. Bedding & fixing before dining <sup>room</sup> door  
On Branch & some in fresh ground next to corn  
for tobacco seeding He; dry & hot. Went  
Mort & her children came here yesterday Friday  
1874 June 1<sup>st</sup> Wagon & cart hauling out manure this  
morning On Got at new Back this morning very  
Did not get done hauling <sup>out</sup> manure  
June 2<sup>nd</sup> finished hauling out of Stables & wagon  
To haul out of Farm in yesterday very cool  
This morning wind from N.E. clear  
3<sup>rd</sup> began to Plow in our corn by Eds house This day  
cloudy & drizzling rain some little to day Martin  
winning & hopping in corn after Plows.  
4 June 1874 Began to draw & plant tobacco this  
before dining room door & before joining corn in  
fresh ground

- 18<sup>th</sup> June 4 Cleared off & quite hot, Will we  
expect finish little & planting Tobacco above  
Granary this evening, gone to plowing & mending  
Sick & manure Plants Beds this morning
5. Plowing & mending corn I carried 180 bushels  
wheat to day to make us flour to get at  
This day much Raining a little this evening
6. Scattering manure by new Barn Plowing  
it up & Marked & Limmy replanting corn  
in fresh ground opposite Wheat Cloudy too  
about 12 O'clock Cleared off, little for rain  
to night, Very fine rain here but maybe  
ground very wet all day this day
- 7 Went to Sunday School
- 8 Finished Plowing lot by new Barn & Herring  
and it had little lot by new House to plant  
Tobacco - Planted Buts Tomatoes Plants & some  
Potatoes Sp. <sup>the</sup> West flower this day
- 9<sup>th</sup> Replanting corn over the road towards Mt  
Limpiton, above Granary & on Branch Ed  
fixed little lot by our House & Bedded it  
Plowing above road, in corn started up  
a good load of clover & to day
- 10- Plowing & Marking yesterday evening  
gone then again this morning to fix  
for corn starting little lot by our House  
Thermometer upwards 90 to day mending  
corn by shop to day cloudy this eve.  
I am sick myself all day to day
- 11 Rained last night this morning  
sent Limmy to John's Mill 1 Bush Corn for us  
meal Ed. 2 Bush Corn Marked 2 1/2 Bushels but
- 12<sup>th</sup> Finished planting corn at mountain spring  
Plowing ground above Granary to plant Tobacco  
sent Limmy to Miller's Mill. got 1 Barrel flour  
90<sup>th</sup> in Bag second rate & Lodging & to  
13<sup>th</sup> Finished starting little lot by new of fresh ground

- 1874 June 13<sup>th</sup> Flaming great <sup>off</sup> appeal  
 I went to I Glom's meeting to day  
 14<sup>th</sup> Nannie & my self went to S S meeting  
 worked Nellie to the Buggy she worked very  
 well & gentle. 15<sup>th</sup> seeding corn in fresh ground  
 15<sup>th</sup> Flaming corn above Granary this evening  
 15<sup>th</sup> Ed & Jimmy Plowed out Garden & now Bedding  
 Lot at new Barn to day, Cloudy & warm.  
 Martin & Caley Dues finished mowing fresh ground  
 & now mowing & thinning above Granary to day  
 17<sup>th</sup> Cutting Wheat in East finished Ed & Jimmy  
 Flaming in corn above Granary Street  
 Coleman & Edmond Tucker to Cut Wheat to day  
 Very pretty day good little cool from N. W.  
 Martin Smith has been sick ever last Saturday 12<sup>th</sup>  
 17<sup>th</sup> Taken very sick taking Physick. to day  
 18<sup>th</sup> Martin & Ed Cut & sowed seeding corn to day  
 Ed & Jimmy Flaming about road of map makes the day  
 very hot & dry to day clear weather  
 19<sup>th</sup> I have to mow all day this morning Ed & Jimmy  
 finished Plowing p<sup>er</sup> corn by me & Anne Plowed  
 his & Alek then Plowing corn on Pra. W.  
 20<sup>th</sup> Edmond Tucker Coleman Hubbard Cutting  
 Wheat for me & Ed Dues Hb, Ed & Jimmy finished  
 Corn on Pra. W. this evening trying to get over our  
 Corn one time, we will to stream here &  
 Hiram & Nanny Dues & Lane Smith tying up  
 Wheat. Late shocking wheat  
 21<sup>st</sup> Went to Sunday School clear hot day  
 22<sup>nd</sup> Mowing little p<sup>er</sup> Tobacco before dining room clear  
 Martin Smith has not come yet nor Ed neither  
 Martin. Came out yesterday or this day.  
 23<sup>rd</sup> fixing Tobacco Land to Plant & put up some  
 shocks of wheat that's down. Clear this morning  
 Martin & Lane Heale mowing corn above Granary  
 24<sup>th</sup> From 12 O'clock no Plowing nor mowing corn to  
 all hands & our Cook dropping Guano & killing  
 next to fresh feed to Plant Tobacco should have  
 got done before the old feed p<sup>er</sup> by 12 O'clock & had  
 the other way. dropped the Guano. & killed nearly  
 for 1000000 birds in it & 5000.

1874 June 25 Mrs. Wythe has returned they moved  
to Cooking & Washing. Mr. Coleman Hubbard  
Cultivating on our ground for Tobacco. Balance  
mending Corn Nannie does too. Her man  
is to work our garden Potatoes & Cotton for  
Nannie time as her man went to see Ma  
2 or 3 days in Clear & Hot at this home  
Finished mending Corn above Granary mending  
over the road to map 4<sup>th</sup> miles from Belton  
Very Hot to day Ed & Coleman Hubbard Cultivating  
New adjoining the old field for Tobacco above  
2 or 3000 Sticks. Threshing Wheat in big  
lot yesterday morning & this morning. No rain yet  
26<sup>th</sup> Coleman Hubbard here Cultivating in new ground  
Hulling & Cultivating new ground of fresh ground  
began to stick upper 1/2 at the corner found  
27<sup>th</sup> Dory & Hot weather Cultivating in new &  
Hulling & Cultivating of as one go. Coleman Hubbard  
dulle over to day & made out the home in evening  
making 2 1/2 yds Cultivating in new ground  
28<sup>th</sup> I went to Sunday School here. Came here  
last night. To see us Very Hot day  
29<sup>th</sup> Going to put Stones stops in lot by Corn  
Stones as saw mill have pigs shortly.  
- Laying by & Chopping Corn above the road to the mill  
to day looks like rain some little.  
30<sup>th</sup> June Ed & Lemmy laying by Corn & Chopping  
over the Road towards map on Neales. The road  
Nelly Plowing. to day finished Laying by Corn over  
Laying by some next to Edmond House. Rained  
this evening & still Cloudy. like rain is on hand  
July, Nannie's man went up to buy & then  
the mill go to see each tomorrow.  
Plowed & mowed some Tobacco laying by Corn  
above Granary &c.  
2<sup>nd</sup> Sent to Miller's Mill 2 Bns. Corn for meal  
for me 2 do for Markin lent & 2 1/2 bushel Corn

1874 July 8<sup>th</sup> Doct. Edles & Champ went on to the meeting  
 House sheep all they could & began to fix up  
 the rock steps to each floor & W. S. Hubbard  
 waggon came after a load of corn & Pro.  
 McKenny & myself with the help of John Moon  
 & Lemmy that went with continued the work  
 till we finished & we carried the waggon  
 to Mr. Gales & left it all. Eaten up for him  
 to fix & got home by 9<sup>th</sup> after 1 or 2<sup>nd</sup> O'clock.  
 Both of the steps finished, & on <sup>day</sup> ~~the~~ <sup>Monday</sup> ~~the~~  
 9<sup>th</sup> found a swarm of bees settled on apple  
 tree yesterday. Carried Bacon to Mr. Greasy &  
 Pro. to day Ed. Plowing & Mending corn to day  
 Marked Mannie Reeds. Coleman Hubbard cutting  
 & Raking up stay to day I P. Hunt had  
 10<sup>th</sup> July Plowing corn below <sup>house</sup> <sup>on</sup> <sup>branch</sup> <sup>in</sup> <sup>corn</sup> chopping  
 11<sup>th</sup> Pro. Reeves Mr. Moses & Kate here. Pretty shower  
 of rain last evening & a beautiful rain this  
 morning & went to plant & replant corn in the  
 morning Monday, Edm<sup>d</sup> got all our Lobau  
 down yesterday Saturday & it took him Kate Jimmy  
 & Nannie nearly all day or more than half the day  
 and if the Lord permits will start to Lynchburg  
 with it Tuesday morning - Thank God for the  
 Rain, nobody went to meeting, this evening  
 Pro. Reeves went on home, & Mr. Moses & Kate went  
 home & I sent Jimmy up to Mr. John Gains  
 to inform him must plant Lobau tomorrow.  
 12<sup>th</sup> Fine rain last evening & last night, & planting  
 the stulls we have made, out of 12 on John's  
 Branch fine rains & good plants & fine growing  
 weather, could not get Coleman Hubbard to help  
 13<sup>th</sup> Planting & replanting Lobau & fixing to start  
 waggons with our Lobau I went to Mr. H. Linn  
 & got him to carry on Load @ 3¢ per Hundred  
 14<sup>th</sup> Loading waggons with all Lobau & let  
 all gone John W. Linn & Mother Linn arrived

15<sup>th</sup> Ed & Jimmy laying buy corn by Eds house  
 finished laying below the house. Nelly plowing  
 yesterday & today. Doron corn last night & tonight  
 16<sup>th</sup> Nelly & Mally plow corn below house  
 Martin & Jimmy. Nannie Helling & planting  
 tobacco in great ground today they are choping  
 in corn on branch below house  
 17<sup>th</sup> got over plowing corn. Mied & plowing  
 by blacksmiths on amount so much grass  
 about the corn. Martin colling for tobacco  
 on open ground another square & we are just  
 18<sup>th</sup> finished plowing except the branch. Colling  
 in great ground for tobacco. Hot day  
 finished colling & standing & helling to plant  
 in tobacco. Fair morning  
 19<sup>th</sup> I went to Sunday school. Hot day  
 20<sup>th</sup> Monday. I went to W W Moss to see Hanner who  
 is not well but not see Billy Ed. Hly or either  
 of Hanner's other children. Very warm dry day  
 21<sup>st</sup> Plowed tobacco in front dining door & helling it up  
 to day & began to black out & it rained & stopped them  
 Plowed & helled up by bus did not rain much yet  
 Mrs. Wyle is complaining as to let her off. Why  
 we did not hire Nannie Devo to be Christiana  
 \$2 pr month, she cloudy & like for rain  
 22<sup>nd</sup> Fine Rain last night & raining yet. No report  
 to plant the last 10<sup>th</sup> we helled of the great ground  
 & planted all we have  
 23<sup>rd</sup> Plowing corn over on mountain & hills  
 24<sup>th</sup> finished plowing corn over on mountain  
 25<sup>th</sup> went to mill but did not get the meal for Ed  
 Marland 2 Bushels lent each of them. Hanted out  
 manure & rails to Gurrip Patch & hanted that gone  
 to stacking Oats this morning got home last night  
 helle after sun down cloudy this morning  
 finished stacking Oats got 4 stacks, working in tobacco  
 here Jimmy gone to mill after meal for Martin & Ed  
 Martin choping in corn over at mountain  
 Spring last we planted cloudy & like for rain

1874 July 26 Edmond Hauled Out Manure to  
 Turnip Patch & Load Leaves in Stable Manure  
 Chopping in Corn at Mountain Nanned gone  
 to Mohat Aug with her Mamma from there  
 she went to Chalk Lick then Mamma &  
 Mamma attended to her business  
 27. I went School (Sunday) at 8 Stone Rained  
 in morning had up till I got to evening  
 House then rained all day nearly.  
 Replanted Tobacco & Thinned Corn Monday  
 Rained tremendous had this morning Monday  
 Nanned replanting Tobacco with the balance  
 28.<sup>th</sup> Rained last & this morning till 10 or 11 o'clock  
 Thinning Corn this evening. Ed & Jimmy Boy from  
 Mep Martha his white <sup>male m moses</sup> balk no horned cow  
 29 Raining nearly all Ed & Martin making Bar  
 for lower field to day for Turkey road up  
 & finished Thinning Corn & replanting Tobacco.  
 30.<sup>th</sup> Plowed Turnip Patch Chopping Bushes out  
 of Tobacco in new ground, Chopping Corn on  
 Hill by Edmes House. I went to Mount Airy  
 but got no papers nor any thing else  
 31 Went after my Papers to day, got them sent my  
 2 mules to help John Lane Thrash Wheat on Creek  
 & Jimmy carried them up there Ed Plowed & working  
 Lot by new Barn & Chopped Bushes out of Tobacco  
 in first field & Chopped Corn on Hill  
 August 1<sup>st</sup> I went up to Strait Stone Creek Plantation  
 Rent the place to John or Gair sent up my  
 mules by Jimmy yesterday & they - Mr. Gair Threshed  
 his Wheat yesterday evening & Jimmy mules <sup>about dark</sup> got home  
 Ed Martins & Jimmy working Tobacco in fresh ground  
 above house next to road looks like rain this way  
 2<sup>nd</sup> Ed Filled here then I went to Sunday School  
 then went to Edge Hill Meeting Sunday School -  
 3<sup>rd</sup> Ed Plowing Tobacco next to fresh field & Balance  
 Thinning up or minding down  
 Mr. J. J. Person at ~~grove~~ Oak Veg orragon & Carts  
 wheels put in 4 spokes 2 in each & 2 fellows 1 in each

1<sup>st</sup> August 4<sup>th</sup> sent One Bushel Corn to Mr. Gale  
 Mill for Meal for myself By Edmund Tucker  
 Edmund Dues Plowing Tobacco in old field just to  
 fresh field to make the morning the cloudy  
 This evening Ed & Henry Plowing in corn below  
 the house, Nannie Dues working in tobacco  
 3<sup>rd</sup> Plowing in corn Marken & Nannie at work  
 6 Abraham Dues & Edme at work in Black  
 shop on Mazon & Carl Wink, Hefle in Black Smith  
 7<sup>th</sup> Henry Tobacco sent to Gale Mill Edmund Dues  
 4<sup>th</sup> Bushel Corn sent for Meal Marken 2 Bus sent  
 & 2 sent 1 Bushel Corn for Meal Henry Corn  
 back by 1.2 O'clock last in the morning 1. Bus corn  
 Chained out. Henry for hauling up wheat  
 in the evening Ed Hauled up leaves to put in the  
 Rained more or less all day Mr. Purdon Pouches from  
 Mendenburg meal from here yesterday - morning  
 finished working pieces of Tobacco in old field  
 the granary. Coleman Hubbard at home Hay  
 8<sup>th</sup> Edmund Dues laid up with Rheumatism  
 cloudy still for rain every minute Chained off  
 9<sup>th</sup> Clear pretty my wife & myself went to Elwell  
 Mr. Rivers came & preached for us Bro Rivers preached  
 yesterday evening at 4 O'clock  
 10<sup>th</sup> Henry Turcup Tule this morning & mow  
 sent J. Otten Plow young corn at Mount Spring  
 11<sup>th</sup> Plowing again over on Mountain to day  
 making young on at Strait Stone at the time  
 finished plowing at Mount to day about 4 O'clock  
 Ed on horse yet. Martin Topping Tobacco Jimmy  
 & Wm Chopping Corn below House this evening  
 12<sup>th</sup> Hauling up wheat to day but shall not finish  
 13<sup>th</sup> Raining & wind blew very hard last night to  
 day we are getting up apples & putting them in  
 here all day getting up apples  
 14<sup>th</sup> Hauling up wheat to day & finishing Hauled  
 1 Good Day yesterday & 1<sup>st</sup> to day finished That

- 15<sup>th</sup> Wormed succored some Tobacco killed a  
 goat made things to stables On Hill, went  
 after Mr. Moss, R.R. After my young milky  
 last night streped Edm<sup>d</sup> Tucker for gale one  
 on mountain He Ed in House yet. Has  
 been in House with Rheumatism all the week  
 clear to day fine weather I went w<sup>th</sup>  
 2 Horses and Pastor with my share today.
- 17<sup>th</sup> Harlow Smith fixing Doors to Stables  
 & Corn House. I done but little Sundrying  
 & done nothing to day till 2 o'clock  
 Sumner with him gale & clear stable  
 not touched. I told to go to work or quit  
 Ed went up to see old Arch. Workman  
 & done nothing Plowed some Tobacco  
 Henry Sampson I sowed out wheat &  
 left about 12 Bus wheat for Mr. Whitehead.  
 I went to Mount Airy after my Papers—
- 18<sup>th</sup> Nannie & me went to <sup>association at</sup> Edge Hill Ed working & plowing young  
 Tobacco. To day, clear pretty day good thing  
 People at association
- 19<sup>th</sup> Chopping working young Tobacco & Corn  
 over on mountain. Clear <sup>association</sup> fine weather for
- 20<sup>th</sup> Plowing working Tobacco by new Barn to day
- 21<sup>st</sup> Digging our Irish Potatoes very sorry finished.  
 by 12 o'clock Jimmy Plowing Tobacco out  
 above granary, sowed Turnip seed by the Gap goes  
 into fresh ground & in p<sup>l</sup> Tobacco by new Barn
- 22<sup>nd</sup> Finished Chopping Tobacco at new Barn by the  
 House & on Branches To day, smart little shower  
 of Rain about 1 o'clock To day, I went to Mr.  
 Creasey's This morning carried 7<sup>th</sup> Reuben sold it  
 at 18¢ Mr. Round too low they owe me 10¢.
- 23<sup>rd</sup> Beautiful shower of rain about 1 o'clock  
 & about 1 hour by Sun There came up a cloud  
 & quite a hard rain & kept on nearly all night  
 & next morning & cloudy all day

24<sup>th</sup> Aug 24<sup>th</sup> Cloudy & like for rain this morning  
 morning sunning hoping tobacco this morning raining  
 & continues raining a little more before sun comes  
 25<sup>th</sup> 26<sup>th</sup> 27<sup>th</sup> 28<sup>th</sup> Cloudy, 29<sup>th</sup> morning sunning tobacco  
 got over this evening great many worms  
 began to get up apples for another prep fall  
 must to Abram Dwyer got melons & ches changed  
 26<sup>th</sup> Ed & Dews went down to Mr Hubbards to get him  
 to cut a madder between Ed Dews & stroke Worsham  
 & got another old shoe nailed on molly as the  
 one put on come off in a few days for another  
 27<sup>th</sup> Trapped out another prep full of apples for Ed & D.  
 Plowing tobacco in old field & shelling it up today  
 28<sup>th</sup> Plowing in our old field tobacco & shelling  
 it up I carried manure up to Mr Whiteheads to see  
 Eddie & to go to milking & to service & protracted  
 meeting at new prospect next week Col. Washburn  
 29<sup>th</sup> Went to Strait's to plowing & shelling up  
 new ground. next to fresh field cloudy  
 30<sup>th</sup> Went to Sunday School not many there  
 Rained before I got there & raining all evening  
 fine growing weather again at this time  
 Mr Frankly Lake came about the 27<sup>th</sup> or 28<sup>th</sup>  
 Ed gone up to Mr Worsham to settle with him  
 but dissatisfied about it, he got \$20. day last  
 sent Jimmy 100 miles mill 2 1/2 bus corn for me  
 2 bus & 3 calls wheat for flour, 4 bus corn  
 for Ed & 2 bushels thins. tent got all but wheat  
 hauled 83 slabs from Markins got of him  
 sent my wife home yesterday 22<sup>nd</sup> August  
 Sept 1<sup>st</sup> worked out our last planting yesterday  
 Calamander Statboard here this morning working  
 did not do any thing on account of storm  
 on New Barn cutting down corns stable the 1<sup>st</sup>  
 morning sunning over tobacco to day  
 leaves in stables yesterday hauled up boards  
 2<sup>nd</sup> morning sunning tobacco sold Mr Younger  
 some Shaker Limber to day for \$1.20 morning  
 3<sup>rd</sup> & sunning working young tobacco  
 4<sup>th</sup> Thursday sent Mr & Rakas & 2 from town  
 sent Edward & 2 miles over lake for Mr. W. Dwyer  
 have done his wheat this morning

1874 Sept 4<sup>th</sup> Clear Beautiful weather from  
 here to Thrash about Circular.  
 Sept 5<sup>th</sup> Mr. Moses Pro from his Horse my machine &  
 him I say has concluded not to take no part  
 of it. Thought it home over put it down. This  
 evening Ed did not get from Mr. M. &  
 we about night & we began to thrash Saturday  
 morning not very soon got done & cleaned up  
 before night a little I had Colman Hubbard  
 Ed & his from Edna Tucker Andrew my all Tom  
 Laebos from Mr. Wooding & Herd Toby Son Com  
 have & Elaid all are finished, nor Teachers.  
 6 Local to Sunday School not many scholars  
 Fanny M. Moses & Matty Hunt & their children  
 came here to dinner & gone to making  
 & at night Geo E. Colman & Mr. Moses came.  
 7. This morning Geo & Maria started for Mr  
 M. Moses for Home. & in evening Fanny  
 & her children left. Our folks plowing & working  
 last tobacco we planted in fresh ground  
 8. Morning plowing Tobacco cover Barn but  
 not what done clear pretty day  
 9<sup>th</sup> Morning plowing Tobacco soon began  
 to pull fodder to day by Ed & stone. Mr. 3  
 tonight plowing finished covering Tobacco & cover  
 evening Boards. Mr. Wright hung the door to  
 Tobacco. stone. Clean & cool this morning  
 10<sup>th</sup> Morning Tobacco this morning & evening  
 Tobacco above granary, Fanning out or heat  
 for Ed & Martin Smith Ed had 2 <sup>Wheel</sup> barrels <sup>with</sup> <sup>the</sup> <sup>hops</sup>  
 10<sup>th</sup> 9 Pulling fodder lying up fodder. <sup>Ed</sup> <sup>Jan</sup>  
 in great field above granary. Weather moderate  
 12<sup>th</sup> 11<sup>th</sup> Morning plowing Tobacco lying up  
 & gathering up fodder together to day weather  
 13<sup>th</sup> 12<sup>th</sup> Moderate Very warm even since Friday  
 14<sup>th</sup> Gathering fodder & up. To black home to day  
 14<sup>th</sup> 13<sup>th</sup> 14<sup>th</sup> 13 Blacks last night & 1 Rick  
 15<sup>th</sup> 14<sup>th</sup> Raining this morning morning morning  
 15<sup>th</sup> 15<sup>th</sup> Tobacco. Fanning out or heat

1874 Apr 14 Thinned out Golden Chaff Wheat to seed  
 Thinned it out only once that in the 11th -  
 Gathering Peas to day Raining again -  
 Sent Bacon Meal whiskey 12<sup>lb</sup> & Mails up to John  
 Lains Kel Patrick going to Big Mill up there & put for  
 \$15- I find 3 hands begin the mill  
 16<sup>th</sup> Rained tremendous hard last night about 11 o'clock  
 & washed away both of my Bridges here at the house  
 took us till 10 o'clock to fix them Sent Jimmie to  
 Millers Mill after flour from Grudgers & Martins  
 & Eds flour, & Ed Martin Mannie goes to see  
 Mrs Forests wife buried this evening.  
 Wrote to Capt Wm M. Freeway attorney at Pelly off  
 about Baras Debt in Mulenburg David Maclean an  
 Halifax Banks & Loucas Philip Thornton & others  
 Debt neglected I think & to Mr E. Clon an about  
 Pricks for J. J. McHown, Cloudy at night  
 17<sup>th</sup> Raining this morning a little Morning snowing and  
 foggy Tobans this morning Rannie did not come back  
 18<sup>th</sup> Pulling fodder to day Sent Jimmie on the Cart  
 Plank & Mails to fix Mill On Strait Stone Creek  
 Sam Come down this morning & went back with  
 Jimmie. Clear & pretty morning  
 19<sup>th</sup> Lying up & taking care of fodder Cloudy  
 Jimmie took my Cart & Mails & Hired Rocks  
 at Strait Stone Plantation yesterday  
 20 Raining last evening & this morning rained  
 & Cloudy till about 10 o'clock so that we neither  
 went to meeting or Sunday school but my Mails  
 to Mrs Templeton & daughter to go to Andrews to  
 Mr & Mrs Shields funeral to day cleared off in evening  
 Our fodder not injured much I dont think yet  
 Pulled fodder yesterday blow the storm in ground  
 Sen. Richards came here this evening.  
 21<sup>st</sup> Pulling fodder lying up & Pulling up stacks  
 Normed & sowed some Tobans this morning

- 22<sup>nd</sup> Sept 1874 Pulling fodder stacking  
 23 Same work & Raking tobacco then  
 I done dining room yesterday 110 stalks  
 hung & stowed it this evening, Carried  
 Log Out of road the other side Templeton  
 Nannie keeping fuel fodder to day  
 Bro<sup>t</sup> home for Mr Whitehead 1 Bbl flour 1 lb charls  
 Miller gave by Rigous when pulling from him  
 at Templeton 4 Bus. Wane 510<sup>th</sup> flour on  
 Bag flour out of his Whitehead's wheat & left  
 1 Bbl flour at mill for Mr Creasey to sell  
 for Mr Whitehead - fine weather for fodder  
 24 Pulling Lying & stacking fodder Nannie  
 kept 4<sup>th</sup> day yesterday the plantation  
 I carried my wife to Saliers to go to Synch to day to  
 25<sup>th</sup> ~~25<sup>th</sup>~~ D. Whitehead here with me Pulling  
 fodder & stacking fine weather to rain fodder  
 26<sup>th</sup> Sowing fodder cutting some tobacco finished  
 Pulling fodder at home yesterday, fine weather  
 sowing of fodder on Branch this morning put up 8  
 stalks fodder to this day Nannie pulled up traps  
 in Cotton Patch this morning in best few there  
 27 Went to Sunday school Carry Nannie with me  
 28 Raining this morning cannot go after my wife  
 who I reckon is at Mr Joseph M. Mose.  
 Our folks raising tobacco. Spring this morning  
 a little fodder on the ground about 4 stalks  
 shocked in the field quite moderate weather  
 28. Raining this morning & Rained all the  
 blipid day put for under about 300 stalks  
 tobacco & under sheltered some corn. Martha went  
 home at 12 O'clock thus not been back for  
 about 2 stalks fodder on ground now  
 29 Still raining & rained all night &  
 wind blew very hard so that I cannot go  
 after my wife, only 2 of my hogs up this morning  
 continues to rain clear of very pretty.

1874 Sept 20 Went after Nannie & the two Home  
 One Jack firing Tobacco & morning & evening above  
 ground put up one stack each -  
 Oct 1st morning & evening Tobacco & stacking fodder  
 Column here cutting grass this morning clear  
 2<sup>nd</sup> morning & evening Tobacco stacking  
 fodder He tried fresh the fodder became this  
 evening clear pretty day gathering snags, bees, &c.  
 we have put up 10 or 11 stacks now.  
 3<sup>rd</sup> morning & evening Tobacco in lot by our Barn  
 at the house firing Tobacco nearly done. Stack  
 fodder. Now for the year pretty weather for  
 began to cut Tobacco to day about 11 o'clock  
 4<sup>th</sup> morning going to Sunday School to day  
 5<sup>th</sup> morning & evening Tobacco this evening  
 will cut some Tobacco this evening. Should have  
 Mr. Booker came here this evening stayed all  
 night  
 6<sup>th</sup> sent to mill millers 2<sup>nd</sup> New Corn for Suf 2<sup>nd</sup> New  
 for Ed sent Martin Smith to Bushels Corn for meal  
 cutting Tobacco to day. Mr. Booker left this morning  
 Cloudy & Cool. This morning put up Pigs to dinner  
 divided the Pigs about night Mrs. Myatt got 2  
 & I got 2. the other one she said I might have that  
 one for 75¢ or she would give that I told her I wanted  
 not more than 3/4 for my half of it & she said I might  
 take it but she was of opinion the shoot was worth 2/4  
 7<sup>th</sup> Cut some Tobacco to day morned & evening  
 some & raised in Barn now my marked my Pigs  
 & put them near stove. Turn out 1 Boar to sow &  
 bought Mrs. Myatt's 1/2 of 1 other  
 8<sup>th</sup> morning & evening firing Tobacco one of my  
 stags been missing & nothing running this morning  
 9<sup>th</sup> all of my Hogs up we are morning & evening  
 Tobacco firing Tobacco -  
 10<sup>th</sup> I went to meeting stacking wood morning Tobacco  
 Most of children came here for day evening & Sunday  
 till Sunday Mr. Mass & Kate came with me  
 home Saturday evening. Most of Kate & Mr. Mass  
 meeting this day. Elected Mr. Booker as Pastor of the  
 church. ~~for 1875 the year~~  
 11<sup>th</sup> went to S. S. meeting. Clear weather

1874 Monday 12<sup>th</sup> Strong Tobacco in new press  
 Barn this morning our folks are pulling fodder  
 this morning at the plantation last planting.  
 Clear pretty morning  
 13<sup>th</sup> Cutting Tobacco & Piling all day & left  
 some last planting which got well frost bit  
 14<sup>th</sup> Smart frost this morning & evening. Piling  
 by the frost. clear day cutting down corn  
 & Piling & finished the Tobacco  
 15. 15 Name & me went to Jacobs today our folks  
 hauling up Corn shucked out some that in  
 corn stand. Smart frost this morning.  
 16<sup>th</sup> Hauling up Tobacco stanging putting in heads  
 this morning none but 3 of my hogs up this morning  
 I have but of marten 400<sup>00</sup> good Blade fodder  
 paid below 2.60 for it  
 17<sup>th</sup> Hauling up & hanging Tobacco I went to  
 18<sup>th</sup> ~~Friday~~ <sup>Friday</sup> clear morning  
 Have not finished stanging Tobacco yet.  
 19<sup>th</sup> John W. Linn has gone up to Whiteheads  
 & Harts after 3 Bags Empire Guano. to sow  
 Wheat. Carried to Mr. Whitehead by the Ruler for  
 Sack for us to be paid for 1/6 for <sup>the</sup> also  
 Carried up to Linn this morning for him to carry  
 up there 100<sup>00</sup> flour & 3 Bushels Bran from wheat  
 and Linn up to Linn they morning only. Barn & flour  
 he got for Rent from Simpkins. I carried flour here  
 I sold to Charles Winston for selling at Simpkins  
 & Mr. Craney & Mr. has 1 Bl. flour to sell for White  
 head or has seed it. Clear pretty day or morning  
 20 Sent Mr. Jno W. Linn to Shalton River  
 yesterday after 3 Bags Empire Guano & did  
 not get a pound. Mr. Whitehead made he was looking  
 for it every day, did come this week he would send  
 it to me if he did not send this week I'll have  
 to go see him again.  
 21<sup>st</sup> went to Mr. W. Linn to carry over for bats  
 our folks, pulling off Corn shucking & cutting  
 down Corn to sow wheat. Piling Tobacco

1874 Oct. 22<sup>nd</sup> Began to Cut & Shuck Corn to Sew  
 Sew Wheat Nanner Dews keeping fine <sup>day</sup> morning  
 This is 3 days Long has been collecting new  
 ground, & we are running Tobacco also  
 23<sup>rd</sup> Whitehead & Hunt sent me 3 Bags Empire  
 which weighed 600. 1 Bag at Mr Sain have at  
 Strait Stone Creek Plantation for that place  
 24<sup>th</sup> Calling down <sup>of</sup> Piling corn  
 25<sup>th</sup> <sup>of</sup> Piling corn  
 26<sup>th</sup> Sewing & Piling in wheat 3 Bags, <sup>at</sup> some <sup>of</sup> Piling  
 Calling down & Piling corn Nanner morning  
 27<sup>th</sup> Lulling down Corn to Sew wheat Long has  
 & carried Log to Miller's Mill another Bag one  
 28<sup>th</sup> Carried & Long Log & Long on a rails to day  
 Bro Eds & Martin's Mill Home Calling & Piling corn  
 to Sew wheat to day  
 29<sup>th</sup> Hauling & Shucking Corn from Mountain  
 Spring to day  
 30<sup>th</sup> Finished Shucking Corn from Mountain  
 measured & put it away to feed on & went  
 to Sewing wheat over the road next to Temple  
 Nanner & me went to meeting at St Andrews  
 Now 1<sup>st</sup> 1874 Nanner & me went to St Andrews  
 - & Rited little Reef to day but Ed have 1 for feed  
 - & Mr. H Templeton & hand quarter at St Andrews  
 This evening Still Cool & frosty. Sent Lanner  
 to Miller's Mill after some flour I had 2 bags  
 there I with the Bushels wheat & he brot my flour  
 Home left the Shocks & Bran there & they said I had  
 no other bag there but the one the flour was in  
 but I had 2 the one he brot was not mine both  
 3 Lulling down & Piling Corn & Sewing wheat  
 04<sup>th</sup> Calling down & Piling Corn & Sewing wheat  
 Went to Miller's <sup>mill</sup> after my Bran & my 2 Bags must  
 5<sup>th</sup> Calling down & Piling Corn & Sewing wheat  
 went to Sewing corn below House. fine with  
 Ed & Jimmy went to Mr Lewis to help Allen Shuck Corn  
 I went to Mr Peeds to get me a pr Shaws made  
 6<sup>th</sup> Sewing & Sewing wheat in fresh ground  
 Martin Nanner Hauling up Corn below house  
 then Martin will help Mr Templeton Shuck Corn  
 Nanner will make Slop for hog & cattle

1874 Monday 23<sup>rd</sup> Rained some got some wood broken  
down my Carl Orhue, mended hands, to check  
corn, still & Rained in evening

24<sup>th</sup> Threshing corn - 18 or 20 hands - getting  
wood hauling day is getting hands want to  
go to get wagons mended but did not do any  
carried my Carl wheel & axle to males that  
broke down - cleared off fine weather further

25 Housing my corn Dany went to gales  
26 Went to S Stone & paid Mr Blair Trease  
my Lads Lorry many Lads & Trip Lorry here  
Housing corn but not done last. We made  
about 100 barrels long & short & 16 stacks

27 Hauling & Housing corn Shuck H  
Hedder small made - char pretty much

28 Winding up corn Shucks H  
Lovers getting wood getting wood  
Hedder Shucks H pulling away end  
Dany Dany Hygred morn all has things  
here yesterday quite cool & windy to day  
Rained nearly all night last night

29<sup>th</sup> Hed morn cutting wood Martin chopping  
Hedder hauling wood to day & Lacks morn  
Lacks morn to feed morn Lacks to morn  
Dany to day quite cool & windy

30<sup>th</sup> Hed cutting wood & hauling stacks Martin  
chopping round stumps & chopping Jimmie went  
to Char Stice & got 3<sup>rd</sup> 12 lbs good corn the 4<sup>th</sup>  
for Lorry from H Lams went there to attend to  
making up for Lorry more than yet David  
Hygred cutting wood, char pretty day

31<sup>st</sup> Hauling up stalks for cows  
4 Sam Work & Hens all about Hous  
5 Cutting wood Hauling brush for Corn Shells  
& covering Lorry Pale Lorry to W Whitman  
Hedder & Corn back Saturday

6 Sunday Raining a little several hours to day  
7 Stopping tobacco to day Dany Trianna  
Kale & Lams stopping.

1874 Dec 8<sup>th</sup> Cutting & hauling wood to day  
 went to mount day but did not see any deer  
 9<sup>th</sup> tried to kill dogs started & cut wood till 12  
 O'clock then went to cutting wood on Johns branch  
 for plant bed. Cloudy & rather warmer  
 10. Cutting & mauling & getting wood to burn plant  
 bed. A morning. Weather moderate  
 My 2 Sows has good 4 pigs a piece & no  
 more expected 8 or 9 pig. -  
 11 Raining Plant bed on Johns Branch  
 12 Hauling up fencing & wood on Plant bed  
 Cloudy like for falling weather quite  
 cold. This morning -  
 13. Went to making 50's to day  
 14 Killing my dogs this morning - all I  
 got - killed them this morning. Ed &  
 I helped about it & piling stacks  
 15. Cutting some wood in morning cutting down  
 16. Hauling stacks to day cloudy like for  
 Rain or snow to day Day & night making  
 Rain this evening very cold & cloudy felt  
 our shoes over - hit by corn & stone on  
 up this morning & fed them both -  
 17. Cutting & hauling up stacks  
 18<sup>th</sup> Same work & cutting wood  
 19<sup>th</sup> Hauling & cutting wood to day  
 20<sup>th</sup> Raining last night & this morning & to day  
 My 2 old Sows had 4 pigs a piece 10 days  
 ago & I turned out in wood my 3 shoats  
 Raised about house 1 Boar & 2 Sows on Bruden  
 21 cleared last night to day went to mount day  
 Ed cutting & mauling wood Davy made Eels  
 shoes in evening Hauled out wheat made  
 about 46 Bushels, Maarten not here just last Friday  
 then to pay for every day see Christmas. divided  
 & delivered Ed their pig  
 22 Same gone to mill for Ed. he cutting &  
 mauling wood I don't know what Davy is at

- 1875 Jan 5 Cloudy & like for more falling weather. Hauling up my fodder & spalling in the house to day. Hauled 1 stack of muck & 1 stack of Edmonds off at them 2 in Culling house on fire to keep all next spring. Dried up night. Hauling up Edmonds to day & cloudy all day. Jan 6 822<sup>nd</sup> Blade fodder 41<sup>st</sup> 4/6 & 4/11 - 25<sup>th</sup> which last is not good. Still cloudy.
- 6<sup>th</sup> Put fodder got of Edmond up granary & put muck. Helped learned look my cart & carried over to his house where he <sup>was</sup> <sup>for</sup> <sup>the</sup> <sup>day</sup> <sup>long</sup> Hauling wood & cutting up below new pig Barn.
- 7<sup>th</sup> Rained & sprinkling last night & raining this morning quite cold. Edmonds Simon & Hann Shifony Tobacco Market not there. Darry making Vans in old pig Barn. Put spot white calf on road below new pig Barn.
- 8<sup>th</sup> Hauling up Tobacco this morning. Cutting fire wood. Spot had a cow calf yesterday evening rained & freezing this morning clear & pretty like this evening cloudy & looks like falling weather again.
- 9<sup>th</sup> Cutting & Hauling wood. Went to Moulton. I. S. quite cold very few people in kitchen there the first time.
- 10<sup>th</sup> Very pretty & cold morning. Thermometer down to 8 colder than it has been lately.
- 11<sup>th</sup> Cloudy & cold morning. Sam Koper changed. Went to Laid Cutting wood for Plant Red above fresh above granary towards my muck. Put back milk spots for the milk for his children. Only take for the milk for 1 Ben. Muck man is to keep my Hauling when 6 he next he.
- 12<sup>th</sup> Cutting & hauling & cutting wood for to over Plant Red. I went to Mount Airy after mail of Vigan is rain & freeze about 12 o'clock, but home on the 13<sup>th</sup> this evening.
- 13<sup>th</sup> Just this morning quite cold & day sleeping. Tobacco this morning, cloudy, no weather falling in.

13<sup>th</sup> Jan<sup>y</sup> 13<sup>th</sup> Kaining & pruning his morning  
 14 Hung up Tobacco in Barn back of garden.  
 Field sowed on plant Bed ready to burn on  
 Path & Branch towards Martha Wells smothered  
 15 Burning it to day fine day for it char  
 is put to have it 14 or 15 yds square  
 Hanted Out straw last evening put some  
 in Rack some in shuck house & some in Granary  
 Davy moved his hogs above his house out to  
 16 Tiding Plowing Houghs & fencing & covering  
 plant Bed towards Martha Wells this morning  
 Hewing it. Put 19<sup>th</sup> Euns Hartmanure & Hog Manure  
 17 Weather moderated some at home to day  
 somewhat cloudy but not much to day  
 18<sup>th</sup> Cloudy & mist Rain falling getting more  
 soon this morning gentle cold Hung up  
 Pork & getting more, cloudy till for Rain  
 19<sup>th</sup> Damp & foggy Cut down straw in field  
 off 2 cut then cut more for plant Bed  
 20<sup>th</sup> Curly - Hung up more for plant Bed  
 Dango & Hygeard took Rachard in his place  
 21 Burning plant Bed above the road on  
 Branch <sup>Hygeard</sup> Hygeard took & took  
 Hygeard last night cloudy & cold to day  
 but still place where are burning is an excellent  
 Sam Roper or Robert taken for a Lunatic &  
 sent to Asylum about a week ago <sup>with his wife</sup>  
 22 They have gone to plant Bed on John  
 with Suano. His manure to collect in chop  
 off ready to sow this morning & to range  
 about 9 or 10 o'clock David took get  
 23 Edmond Dews went after Dr Wooding for  
 David Hygeard he did not come but said he  
 would come to day clear morning. Edmond  
 Lusk & Robt Come cut down old aspen & carried  
 it by sun rise Edmond Dews got back by light  
 as finishing plant Bed on John's Branch, it  
 seems there will cover it & finish fence around it

1875 Jan 25<sup>th</sup> Raining freezing & cold. This morning  
 sent 4 mow m moses came here last night  
 Raining all 10 or 11 O'clock & stopped Dr. Waring Ceele  
 who is better this morning. he told me himself  
 26<sup>th</sup> Jan. Davy Fitzgerald is worse than ~~was~~ he  
 yesterday morning cleared off this morning  
 sent Jamie to mill for curfew & Edmund  
 Edmon & Cutting mow for us. - <sup>morning</sup> sun out no  
 27<sup>th</sup> Clearing & hauling mow straw He is day I  
 mat to Mr. Harthing to have mps & Leakes shoes  
 to Millers mill got my Bag & papers & letters.  
 28 Raining this morning. Hauled up  
 1 stack fodder of my fodder <sup>from</sup> below  
 the house & put in granary. mow for  
 Davy Fitzgerald. - weather moderate  
 Hauled up 2 mow stack fodder below Davy  
 Fitzgerald. House last week sometime sunny  
 29. Raining nearly all night & stripping down  
 in new spring Barn this morning I went  
 to mow at Ains last evening for Lamb  
 weather moderate at this time  
 30<sup>th</sup> Stripping Tobacco in new spring Barn  
 Jimmie gone after Dr. Waring for Davy  
 Fitzgerald Martin Smith mending Jimmies shoes  
 clear this morning tolerable moderate weather  
 31<sup>st</sup> Jan. cloudy & clear for falling weather  
 I went over to see Miss Nancy Neale  
 Fitzgerald clear & very cold ground frozen as a rule  
 Cutting & getting mow Davy Dick Fitzgerald  
 Dr. Waring here yesterday to see Davy Waring  
 2 visits, went his Brothers from him  
 2 Jimmie hauling mow for Davy Fitzgerald who I think is  
 better - Edmon & Cutting in new ground by Barn  
 weather not quite so cold as yesterday. I went to the mill  
 3<sup>rd</sup> Raining this morning stripping Tobacco weather  
 weather moderate  
 4<sup>th</sup> turned very cold Cutting by new spring barn  
 to day. Windy

8<sup>th</sup> Feb<sup>y</sup> 5<sup>th</sup> Friday Clear pretty cold morning  
Thermometer down to 5 degrees. Cutting wood  
Davy got Ed to send someone for Port  
Hauling wood Kate Mr Moses then last  
night David Wooding came again to see Davy  
Clear & tolerable moderate day Mr W & H gone  
7 Cloudy & Very cold this day I began to snow  
10 & 12 O'clock Snowed like man's night over  
1 inch deep Port Wooding came to see Davy  
Thermometer down to zero at night it was 1 degree  
below zero quite still cold morning  
8 day of Feb<sup>y</sup> Coldest morning since I have been  
9 David <sup>father</sup> rather than he was yesterday  
Very cold. Snow not much much not as  
cold by 4 degrees this morning as yesterday  
Cold wind from from North. Ed is cutting  
wood for David & Hauling. Dr. Wooding  
came to see Davy & yesterday morning  
10 Wednesday Very cold & fair Snow 4 inch cold  
Cutting in new ground large where Row has  
with my dogs for about 6 weeks or more  
11<sup>th</sup> Doing but little snow started & rained  
last night & this morning about 2 inches deep  
making 2 snows & 2 rains this winter not very  
cold. This morning Davy & H. got Wooding  
been here 4 times to see him smoking oak bark  
Fannie W. Moses youngest child Joseph  
Jacob died about 11 O'clock to day  
12 Fannie W. Moses will <sup>be</sup> to be buried  
here to day pretty considerable sleep this  
morning Ed & Edw. Edm. Luke & Edm. L  
Cook Digging grave now. Clear & cold  
Snow about 2 inches deep making 2 snows  
13<sup>th</sup> Weather turned moderate I went to making at  
not may people at making Mr. Parker there  
Edmond getting wood Jimmie Hauling Dr. W. here  
I hear Davy & H. some better. Fannie and home

- 1875 Feb 14<sup>th</sup> cloudy & like for falling weather  
 I am so unwell to go to St Pauls Snow melting  
 Snow melting & melting yesterday very good, now  
 15<sup>th</sup> Edmell Culling sent Lemmie to Mill to Buy  
 Wheat for flour did not get that got my sheep  
 & meal for Edmell & Davy I went & filled my sack  
 in Mr. St. Laine heap & Raep heap filled full  
 saved for weather boarding instead of plank to  
 build a stove none saved right  
 16<sup>th</sup> I went to Mr. Farthinge after Miss St. Luke  
 shoes & carried mine to the sole Ed Culling  
 obtained wood in evening for Davy who  
 is I think worse this morning. Dr. Wooding here  
 17 Ed gone after medicine for Davy  
 who is worse I think Lemmie <sup>got all off for long some illness</sup>  
 mill after flour than Mr. Cloudy & Cold  
 Davy Fitzgerald died this morning  
 18. Clear & cold sent to Post office for Doctor Hunt  
 Davy Fitzgerald will be buried to day  
 Lemmie own carried mules to Frank Wrights shop  
 to put for shoes on Tom before or now on Monday  
 the being back for home for Henry Bullard, which  
 I owe him for last year  
 19. Began to snow this morning about Sun rise  
 & snowed till about 9 or 10 o'clock & stopped snowing  
 to day started up straw yesterday killing  
 Turkey to send to Lynnh to sell. 6 lbs. in weight  
 20. The Rain & started some last night & it  
 again raining this morning. Stan had a calf  
 renounced last night & it is dead very bad  
 night. Rain melting the snow which was thin deep  
 21. Snow & Ice nearly all gone yesterday  
 some little cloudy weather till moderate  
 22. Edmond started up to SR Whitehead with  
 my wife & Miss Franky Leake & 6 turkeys to  
 send to Lynnh very pretty day over head, but such  
 roads I hardly ever the mules could not get along  
 with the empty waggon, had a stove from Mr.

Blank to pull before the mules  
nearly  $\frac{1}{2}$  the way up to Dept and saw  
them up Red Creek & turned back from the  
night before I got home, had to feed my  
Cows than them fed mules in the day  
3<sup>rd</sup> Cloudy this morning & doing not much  
Weather Moderate  
4<sup>th</sup> ~~Wednesday~~ Wednesday Raining this morning  
& rained nearly the whole day.  
25<sup>th</sup> Rained all night last night had letters  
to have mended the bridge & come to see  
try to get Henry Simplicon Horse yesterday  
if I had cleared off to go after Nannie  
but could not get him too well.  
If it clears off I am now going to send  
Simmon over to Edmonds to see if  
I can get his son Robt. this Horse to go to  
meet the wagon If the water course are too  
too high & deep get Nannie & the wagon  
Home once last it thundered & lightened very  
26<sup>th</sup> Nannie come down to W. Loring day before  
got her day & stayed all night there & come home  
today Mr Jacob Loring came with three letters  
his Mule before water too high at Strang's Store  
had to go by Keen's place to get home & coming  
home on the Rail Striped a hole Loring this  
every thing is very wet & muddy cleared off the  
night about night thundered & lightened &  
27<sup>th</sup> Edmonds went to help at Simplicon Simmon  
went to W. Farthing after shoes & Leather I  
went to Strang's Store Range very muddy  
Nannie Whitehead came home with my wife  
28<sup>th</sup> Beautiful day I am at home  
March 1<sup>st</sup> Raining & hailing a little Ed  
gone to help by Roll Logs in morning  
Ed come back & it rained all day  
not hall but one load of wood  
2<sup>nd</sup> March 1875 All cloudy rained nearly all day  
Clear about day Strang's Loring.

1875 March 2<sup>nd</sup> 1875 weather moderate of this time  
 Ed has gone to keep by toll logs to day  
 I am trying Radcliffes great Remedy Golden  
 Wonder Ointment for internal Piles began  
 to take the medicine last of Feb 1875. & 1<sup>st</sup> March  
 Summer Cutting down in new ground  
 3<sup>rd</sup> began to Rain last night in the night  
 Rained all night & Raining this morning  
 Hare Ed Shing. Tobacco  
 Turned Cooler - last Night. Rain -  
 Sany & Feb. too both with Very Very Wet  
 4<sup>th</sup> March. O Lord What a pretty morning too  
 What one had for a long time no mud ground a  
 little frozen clear & beautiful & moderate  
 5<sup>th</sup> Cutting in new ground yesterday -  
 Snowed last night Hailed & Rained Shing.  
 Tobacco this morning Clouds like for rain  
 Edm & Kate & Manure & feed & other stuff  
 at Shuck House Shing. Tobacco to day  
 Snow last covered the ground Raining  
 more or less all day trees full of ice  
 to day trees full ice Cold day but on stock  
 Very disagreeable weather. Miss Franky Sick  
 6<sup>th</sup> Cloudy & moderate weather. Hanging up Tobacco  
 Cutting & getting wood to day & base day  
 Cloudy & like falling weather all day long  
 7<sup>th</sup> March 1875 Rain. Rain: Rain Cold Rain  
 This morning 1<sup>st</sup> Sunday in this month & finished  
 8<sup>th</sup> Feb 1875 Monday Rained nearly the whole day  
 yesterday last evening it stopped raining awhile  
 before & quite cold in the night it rained  
 & snowed this morning about day it cleared  
 off very pretty morning. Cutting in new ground  
 Thank God Sun is shining again  
 9<sup>th</sup> Another pretty day sent Lamm to buy milk  
 & eat 2<sup>nd</sup> Bus Corn for meal 1<sup>st</sup> Bus for Chop  
 & sent Corry for meal cut Rave Tols this morning  
 making Malt. Shit to day as per to 2<sup>nd</sup> winter P  
 this morning. finished Cutting in new ground

- 1845 March 10<sup>th</sup> Another pretty day manured planter  
 Bed 1<sup>st</sup> in Barn On John's Branch with stable  
 manure stanted load English oak yesterday Edmond  
 malling Linnie Wm Culling old logs in new  
 ground turned Dolly dry at one age set out  
 some trees by stone across in yard, by name Dows  
 look down over Bacon to day some in Bed  
 on smoke stone & 2 Bed to chest Bacon up stairs
- 11<sup>th</sup> Edmond Dows & Edmond Tucker sewing  
 clover seed this morning in fresh ground above  
 Cranary. Sowed 2 Gallons seed of Cranary above  
 stanted up 1 stack fodder above Cranary  
 Edmond Tucker stent this morning sewing down  
 seed Linnie Boards for shelter clear from day  
 manured chest plant Bed on John's branch  
 seed them all over this evening & then manured  
 12<sup>th</sup> Malling & finishing cutting in new  
 ground. Wanner Dows here this morning
- 13<sup>th</sup> Nannis & me went to Stone meeting roads  
 next Bed. Edmond Halted up Large stack Oats  
 they are whipping Oat Oats this evening  
 Very pretty day over head Whisker moderate
- 14<sup>th</sup> I went to muling O.S. to day got letter from Helen  
 stating that Jerry was sick. Raining & Wanner this morn  
 15<sup>th</sup> Dows here this morning getting out Oats  
 I stanted up went to see Dolly who is very sick  
 16<sup>th</sup> I come home cleared of cooler long is sick  
 malling wood & Rails stanted wood
- 17<sup>th</sup> quite cool & windy began to blow in Oats  
 this morning. I am getting 7<sup>th</sup> Gallon for some  
 Pappas & this to be in weight but 2 Hoops on head Bed  
 18<sup>th</sup> March Carra Nannis up to see Jerry who  
 is very sick with Rheumatoid Fever but some better  
 I come back same day got home about 4 o'clock  
 19<sup>th</sup> Sewing Oats yesterday & to day murther  
 moderate yesterday pretty day
- 20<sup>th</sup> Rained last night & this morning till after 12  
 o'clock. Miss Franky sick yesterday tolerable  
 Raining at 1 o'clock again; stopping <sup>this morning</sup> till  
 to day raining hard in evening no more

1 1875 March 20<sup>th</sup> Plenty of wood cut sleep raining  
 2 Jan Set Clear - Weather moderate  
 3 21<sup>st</sup> Sunday & Monday like for rain Weather moderate  
 4 1875 Rained incessantly yesterday & today for rain now  
 5 Did not clear off till about 11 O'clock  
 6 22<sup>nd</sup> Clouded up again about 7 last night heard  
 7 cold & in the night began to snow & this morning  
 8 snowing & continued till about 11 O'clock  
 9 Did not go to divide Pleasant & Jan. Did  
 10 land agreeable to say promise have not had  
 11 from Long nor my wife. Since I carried her up  
 12 there last Thursday. Our folks stayed Tobias  
 13 this morning then went to mowing & hauling  
 14 wood. Mr Wright came up here to day & took up  
 15 machine. Driven to end to Lynch to have new  
 16 bush put in it to thrash wheat if any made  
 17 23 I went to Pleasant & Jan. to see about clearing  
 18 Pleasant & Jan. Land got back home  
 19 11 O'clock eat dinner & started up to  
 20 town moses to visit my wife when I got  
 21 up there she was not there I went to  
 22 up Long found her bed indeed got & he  
 23 prevailed on my wife to stay with her  
 24 a while longer. When I got up there  
 25 she had made ready & they all insisted  
 26 & she agreed to stay a few days longer  
 27 Nellie did not have a coat & I gave her  
 28 24 & I come back home slept here  
 29 there till next Saturday or Sunday  
 30 Lowry & Robt Palmer set in to mowing  
 31 on new ground Tues day & this day  
 32 1/2 Mr. Henders Rails they mow Lowry  
 33 25<sup>th</sup> Ed & Emma plowing for corn  
 34 Robt Palmer mowing in new ground  
 35 day Jacob came here last night going on to  
 36 mowing & 3 days 11.25 Rails  
 37 26 Ed & Emma sowing Oats Lowry & Robt Palmer  
 38 hauling manure in garden to day a pt or a full  
 39 gone after slabs 2 loads leaves before they cut down

1876 Feb 11<sup>th</sup> Took down Barn. Rains this day as follows viz -

Shed 4<sup>th</sup> Shop 1<sup>st</sup> day  
Took down this day  
Shoulders. 20 Shins  
Middlings. 22 W.  
in cash Book Stems 21 Stems  
for 1886 63 1/2

1876 March we are racing logs to day

I find half the find find front Barn. Rains  
Corn meal August 4<sup>th</sup> 1876 Mr. P. Lewis was here  
this morning to rent some land

1876 This year is only a tolerable crop  
generally forward corn generally sorry  
Went to town vegetable crops sorry  
good crops, generally sorry since  
summer 1866. 9<sup>th</sup> April 2 of my are with  
Peg. at this time

1876 Oct 26 Hill Bull from this morning  
my kind quarter 80. 1<sup>st</sup> sold ad. 80
